

InfraGard Los Angeles

in association with **TROY Asymmetric**

PRESENTS:

IMPROVISED EXPLOSIVE DEVICE (IED) BRIEFING

WITH A FOCUS ON FIRST RESPONDER HANDLING

Kevin G. Miles

(RET. FBI SABT)

Kevin G. Miles, a seasoned law enforcement professional with thirty years of experience, twenty-three of which were spent as a Special Agent Bomb Technician for the FBI. Perhaps most notably, Kevin presently holds the positions of both FBI Master Police Instructor and FBI Master Bomb Technician. Currently he is the International Director of Training at Troy Asymmetric. Troy Asymmetric has a global network of leading instructors with military and law enforcement backgrounds. Troy Asymmetric instructors assure the delivery of professional services, products and assessments. Kevin will be presenting a 4-hour briefing on the history of the use of IEDs, the general overview of explosives and IEDs, current trends and threats of IEDs and suggested policies and procedures for IEDs.

Date: Thursday, March 27, 2014

Time: 8:00am to 12:00pm
or
1:00pm to 5:00pm
